Dear Anoosheh:

I wanted to sincerely thank you for inviting me to the Children's Hope International Literacy and Development ("CHILD") event on March 17th in Irvine. My wife and I really appreciated the opportunity to visit with you and other attendees at the event and were very impressed to learn about the wonderful things CHILD is doing to provide better education, healthcare, nutrition and opportunities for children in need.

As you know, there is a large Persian-American community within the 35th Senate District. It was my great pleasure to have the opportunity to meet several of my constituents at the CHILD event, and applaud them on all of the important contributions they are making for the benefit of our community and the world.

Again, thank you for allowing me to join you on March 17th. I look forward to speaking with you again soon.

Sincerely,

A handwritten signature in blue ink that reads "Tom Harman".

TOM HARMAN, 35th Senate District
